

Methow Valley Learn-to-Skate Program Registration

The Methow ice rink will host a four week ice skating program for all ages and abilities starting Saturday, January 9. Lessons will be ½ hour, followed or preceded by practice time, from 2:00 to 4:00. (Exact lesson times will be determined by number of participants for each class.)

Cost is \$50 per participant, which includes US Figure Skating association registration and basic insurance. Scholarships are available.

Rental skates are available at the rink. However, skaters at the intermediate levels need to have figure skates with good support and toe picks. Good used skates can be purchased through Ann Sprague.

To sign up, fill out this form and return to Ann Sprague, P.O. Box 453, Twisp, WA 98856, with \$50 (checks made out to Ann Sprague).

The intermediate group that met on Sunday morning, will continue on Sunday. That program will begin as soon as the rink opens.

Skater Name: _____

Address: _____

Phone: _____

Email: _____

Skating experience: (yes or no) _____

Age: _____

Parents' names

(if under age 18) _____
